

The Sheriff's Office is investigating a burglary that occurred at a Monett area residence. The owner stated that his Bobcat welder/generator and a homemade welding trailer had been stolen from the residence. The welder/generator has the governor locked to keep the engine at an idle when it starts. The trailer is a single axle boat trailer that had been converted to a welding trailer and it does not have tags. The owner described the trailer as having plate steel welded on it, a torch set that has a 20 gallon propane cylinder, an oxygen cylinder, and a torch set with 60 to 70 ft of hose attached. There was also a black plastic tool box on the trailer with miscellaneous hand tools and chains inside of it.

If any member of the public has any information at all concerning this crime, they are asked to contact the Sheriff's Office Criminal Division at 417-847-0841.

As always, the Sheriff's Office genuinely appreciates all help and assistance provided by the public in solving these crimes.
