# **Barry County D.A.R.E. Open Buddy Bass Tournament Rules**

1. Entries will be taken at the Kings River Marina on the morning of the tournament. Early entries will be accepted at the Barry County Sheriff's Office. Entry fees will be \$50.00 per boat. One person entry is acceptable but full entry fee is required. \$10.00 Optional Big Bass Pot.
2. This will be a 70% payback benefit tournament, with 30% going towards Barry County School D.A.R.E. programs.
3. Tournament will take off at 7:00 am and weigh-in will be at 3:00 pm. Weather conditions may alter take off times (fog or severe weather) and hours fishing will be adjusted as needed. **Numbered chips will be provided for each boat and that chip must be turned in and placed in the chip bucket before each weigh-in time dead line or that team or boat cannot weigh in. Chips will be drawn after weigh-in for draw prizes. There will be NO EXCEPTIONS to this rule.**
4. This will be a five (5) fish tournament per boat and all bass must measure 15 inches or more on a golden rule. A courtesy measure will be available at weigh-in. Attempting to weigh a short fish will result in Disqualification. Dead fish will be a deduction of one (1) pound per dead fish from total stringer weight. Acceptable Bass are Largemouth, Smallmouth and Kentucky. Three hook Alabama rigs are allowed.
5. Pay back will be on one place for every four boats entered with a maximum of 10 places paid. Ties between team weights will be decided first by teams biggest bass and second by entry chip number. Polygraph tests may be given at any time at the request of tournament officials.
6. Weigh masters judges will be the only people to touch or measure the fish once the bag of fish has been turned over to them for weigh-in. All of the judge's decisions will be final in reference to short or dead fish and as to the final weight of each team's weight. Touching of the fish after the judges received them or pushing or arguing with the judges may be reason for disqualification. Weigh-in judges cannot weight or measure their own fish and temporary judges will be requested to weigh their fish.
7. No team shall fish within the buoys of Kings River Marina. No team shall fish within 50 yards of any full service marina dock or docks attached to that marina. No team shall fish within 50 yards of any boat that they knowingly feel is in the tournament. Protest will be decided by the Tournament Officials and their decisions will be final.
8. Life jackets must be worn any time the boat is on plane. Team boats must pass by marina at idle speed with their live wells open for inspection and must idle out to buoys for a one boat at a time safe take off. No passing at idle speed within the buoys before take off and at any time teams boats are within the buoys of the marina they must move at idle speed.

We have read the above rules and release the tournament officials, and sponsors from claims of injury or damage in connection with this event. We also agree to a truth verification test. I/We have a current boat insurance policy and shall provide proof if requested.
